Dear Policyholder,

We have reviewed your claim for hospitalisation for coronary artery disease. Coronary artery disease was declared by you in the proposal form as a pre-existing disease. Under your policy, pre-existing diseases are covered only after a waiting period of 48 months from the latest terms.

As this waiting period is not completed, the claim is repudiated on the ground of pre-existing disease. The amount approved is Rs. 0.

If you are not satisfied with this decision, you may write to our Grievance Redressal Officer at grievance@example.invalid.

Yours faithfully,

Claims Manager
